NOTE TO THE GOVERNING BOARD OF THE FCH JU

Subject: Negotiation results - Selection decision for Call FCH-JU-2012-1

The fifth Call for Proposals (FCH-JU-2012-1) of the Fuel Cell and Hydrogen Joint Undertaking (FCH JU) was published in the Official Journal of the European Union on 17 January 2012¹ and closed on 24 May 2012.

The indicative budget for the Call is 77,500,000 € to which will be added the EFTA contributions and the reactivated appropriations for an amount of 2,289,344 €. The total budget is 79,789,344 € as presented to the Governing Board on 11 October 2012.

The Council Regulation (EC) 521/2008² provides in its Article 5.2 (n) of its statutes that the Governing Board is "to approve the list of project proposals selected for funding".

On 11 October 2012 you approved the list of proposals with which negotiations were to open and the reserve lists for each application area. The negotiations for the approved 28 proposals started on 17 October 2012. Project HESTON failed during the negotiations due to the failure of securing the supply of biogas for duration of the project. Proposal Hydrosol-Plant from the same activity area (Hydrogen Production and Distribution) was selected from the reserve list and the results of the related negotiations are included in this batch.

The negotiations on the **ninth and final batch** of the projects were finalised on 23 October 2013 (2 projects). This ninth batch and the results of the negotiations are presented in the Annex hereunder.

Following Article 6.5 (h) of the statutes of the Regulation (EC) 521/2008, I hereby submit for the approval of the Governing Board the list of Grant Agreements to be concluded and kindly ask for your approval within the given deadline for response

Yours sincerely

Bert de Colvenaer
FCH JU Executive Director
