

Andreas Froemmel

Member of the FCH 2 JU Governing Board

Vice President Commercial and Business Development, FuelCell Energy Solutions GmbH

Mr. Froemmel has nearly 20 years of experience in the energy industry including a utility consulting business that he created as well as a series of positions with greater responsibility at a variety of companies including eZelleron, Robotron Datenbank-Software and ITC Internet-Trade-Center.

Mr. Froemmel was appointed Vice President of Business and Commercial Development of FuelCell Energy Solutions in May 2013. In this position, Mr. Froemmel is responsible for the coordination of sales processes including business development, marketing, sales and customer relationship management as well as organization processes including accounting and finance, controlling and legal. Mr. Froemmel has been with the FuelCell Energy Solutions since its founding in 2012.

Mr. Froemmel was born in 1961. He received a degree in electronics-technology and precision engineering from the University of Technology Dresden in 1988 and a diploma in Business Administration and Economics in 1996.
