

## AGENDA

## Webinar What do Europeans know about hydrogen technologies? State of play of public awareness

7 July 2023, 09:30 - 12:00 am CEST

09:45 - 10:15 am Public opinion survey Methodology – Results – Key findings Pascal Chelala, Managing Director European Region, Gallup International GmbH   10:15 - 10:25 am Q&A Exchange with the audience on the public opinion survey.   10:25 - 10:45 am HYdrogen Public Opinion and acceptance (HYPOP) Project presentation Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   10:45 - 11:45 am Panel discussion Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies. Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   11:45 - 12:00 pm Closing Clean Hydrogen Partnership	09:30 – 09:45 am	Welcome and introduction Clean Hydrogen Partnership
10:15 - 10:25 am Q&A Exchange with the audience on the public opinion survey.   10:25 - 10:45 am HYdrogen Public Opinion and acceptance (HYPOP) Project presentation   Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   10:45 - 11:45 am Panel discussion   Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies.   Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission   Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   Moderation: Clean Hydrogen Partnership   11:45 – 12:00 pm		Methodology – Results – Key findings
10:25 am Exchange with the audience on the public opinion survey.   10:25 - HYdrogen Public Opinion and acceptance (HYPOP)   10:45 am Project presentation   Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   10:45 - Panel discussion   11:45 am Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies.   Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research   Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   Moderation: Clean Hydrogen Partnership   11:45 - Closing		Pascal Chelala, Managing Director European Region, Gallup International GmbH
10:45 am Project presentation   Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   10:45 - Panel discussion   11:45 am Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies.   Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission   Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   Moderation: Clean Hydrogen Partnership   11:45 – 12:00 pm		
10:45 – Panel discussion   11:45 am Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies.   Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission   Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research   Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   Moderation: Clean Hydrogen Partnership   11:45 – 12:00 pm		
11:45 am Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies.   Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission   Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP   11:45 – 12:00 pm Closing		
12:00 pm		Discussion on current status and potential action plans to increase public awareness, acceptance and uptake of hydrogen technologies. Helene Chraye, Head of Clean Energy Transition Unit – DG Research and Innovation, European Commission Pascal Chelala, Managing Director European Region, Gallup International GmbH Luigi Crema, President Hydrogen Europe Research Michael Diderich, Innovation, Director at Hydrogen Europe Ilaria Schiavi, Parco Scientifico Tecnologico Per L'Ambiente - Environment Park Torino SPA. Project coordinator HyPOP
		Closing Clean Hydrogen Partnership
