

Mr Didier STEVENS

Member of the FCH 2 JU Governing Board

Senior Manager, European & Government Affairs
Toyota Motor Europe

Didier Stevens is Senior Manager European & Government Affairs at Toyota Motor Europe in Brussels, Belgium. He is coordinating and leading internally and externally all representation activities in Europe for the Japanese automotive company with special focus on CO₂ for passenger cars and light commercial vehicles, introduction of alternative powertrains and respective infrastructure, and other EU emissions legislation. Didier is the Toyota representative in different stakeholder groups of the European Commission, committees and working groups of ACEA (European car manufacturers association), FEBIAC (Belgian car industry federation) and a member of the WBCSD (World Business Council for Sustainable Development) Urban Infrastructure Initiative. Prior to his 20 years with Toyota Motor Europe, he was in charge of the European Internal Market introduction to Mitsubishi Electric Europe. From May 2006 till February 2017, he has been Chairman of the Belgian-Japan Association EU Committee facilitating the contacts between Japanese companies and the European institutions and officials. Didier Stevens holds a post-university degree from the College of Europe in Bruges (Belgium).
