

## Mrs Isabelle Vandoorne

### Member of the Clean Hydrogen Partnership Governing Board

Acting Head of Unit, DG Transport and Mobility, European Commission.

Isabelle Vandoorne has been a civil servant at the European Commission since 2001. She has been Acting Head of the Unit dealing with innovation and research (and urban mobility) at DG MOVE since January 2025. Previously she developed EU policies and regulations in the areas of urban mobility, intelligent transport systems, railways and telecoms, and manage IT projects in the field of EU excise duties. Before that, she worked for the Belgian Railways. She holds a Master's Degree in Engineering from the *Faculté Polytechnique de Mons* in Belgium, where she also worked as a researcher.
