

List of Oral Presentations

Cost-effective and reliable hydrogen sensors for facilitating the safe use of hydrogen

Oral Presentations

Hübert, T., Boon-Brett, L., Palmisano, V., Frigo, G., Hellstrand, Å., Kiesewetter, O. and May, M., Trends in gas sensor developments for hydrogen safety, 5th International Conference on Hydrogen Safety September 9-11, 2013, Brussels- Belgium.

V. Palmisano, L. Boon-Brett, C. Bonato, F. Harskamp, W.J. Buttner, M.B. Post, R. Burgess, C. Rivkin, Evaluation of Selectivity and Resistance to Poisons of Commercial Hydrogen Sensors, 5th International Conference on Hydrogen Safety September 9-11, 2013, Brussels- Belgium.

Hübert, T. and Banach, U., Response time of hydrogen sensors, 5th International Conference on Hydrogen Safety September 9-11, 2013, Brussels- Belgium.

M. A. Bader and T. Hübert, H2Sense-Project, Poster, 5th International Conference on Hydrogen Safety September 9-11, 2013, Brussels- Belgium.

W.J. Buttner, R. Burgess, C. Rivkin, M.B. Post, L. Boon-Brett, V. Palmisano, P. Moretto, An assessment on the quantification of hydrogen releases through oxygen displacement using oxygen sensors, 5th International Conference on Hydrogen Safety September 9-11, 2013, Brussels- Belgium.

T. Hübert, Sensors for Hydrogen Technologies, 15th International Meeting on Chemical Sensors (IMCS), March 16th to 19th 2014, Buenos Aires, Argentina.

V. Palmisano, E. Weidner, L. Boon-Brett, C. Bonato, F. Harskamp, P. Moretto, M. B. Post, R. Burgess, C. Rivkin and W. J. Buttner, Selectivity and Resistance to Poisons of Commercial Hydrogen Sensors, WHEC 2014, World Hydrogen Energy Conference 2014, June 15 – 20, 2014, Gwangju, Korea

“Zuverlässige Sensoren für die sichere Nutzung von Wasserstoff”, Poster and flyers at Sensor+Test Trade Show in Nürnberg (3-5Jun2014)

O. Kiesewetter, Sensors for Europe - Experience from EU projects, Kick-off-event HORIZON 2020, Neue Weimarhalle, Weimar, 14/11/2013.

O. Kiesewetter, Innovative H2 sensor system, Technology conference elmug4future, Friedrichroda, 01-02/07/2014.

O. Kiesewetter, Experience from EU projects, Technology funding, IHK Gera, 08/07/2014.
