

RESEARCH ON FUEL CELLS & HYDROGEN

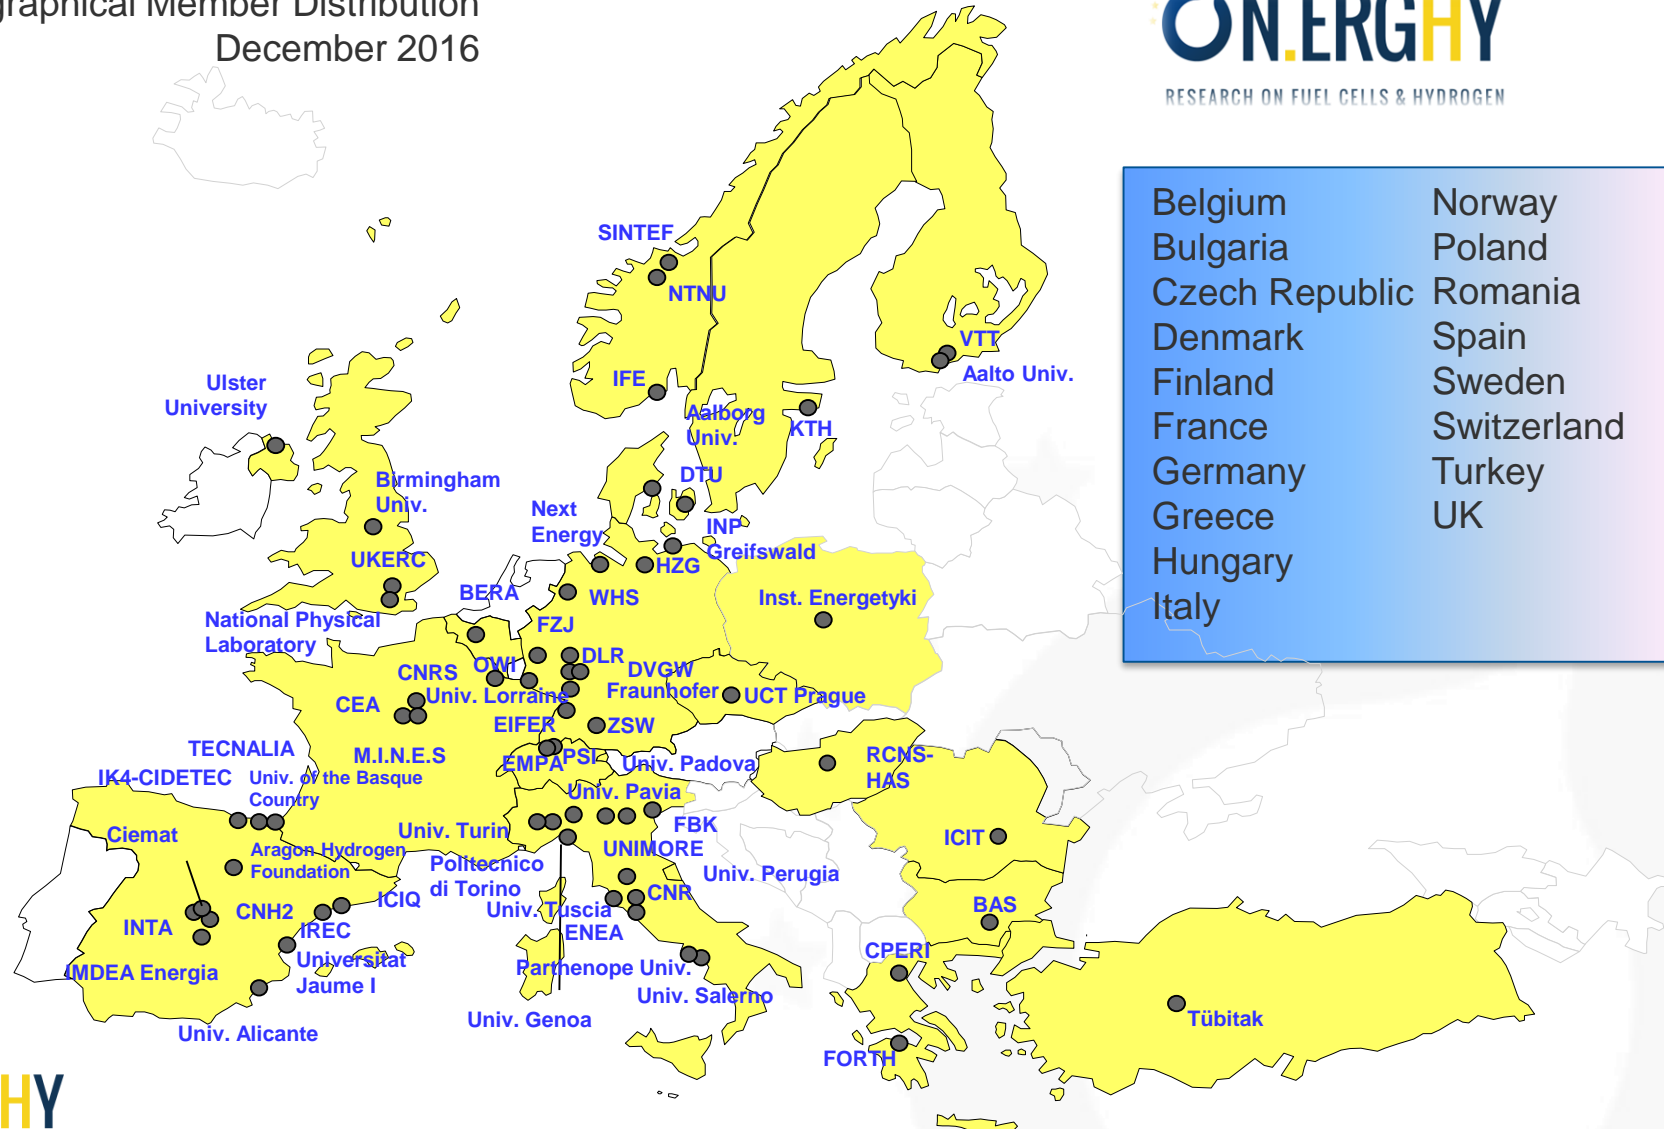

# New European Research Grouping on Fuel Cells and Hydrogen

**Christian Sattler, N.ERGHy Vice-President**

*FCH JU Info-Day, February 2<sup>nd</sup>, 2017*

# N.ERGHY - 63 Members from 18 Countries

Geographical Member Distribution  
December 2016

|                |             |
|----------------|-------------|
| Belgium        | Norway      |
| Bulgaria       | Poland      |
| Czech Republic | Romania     |
| Denmark        | Spain       |
| Finland        | Sweden      |
| France         | Switzerland |
| Germany        | Turkey      |
| Greece         | UK          |
| Hungary        |             |
| Italy          |             |

# N.ERGHY is the research partner of the FCH JU

## Fuel Cells & Hydrogen Joint Undertaking

Industry Grouping  
Hydrogen Europe  
105 members

European Union  
represented by the  
European Commission

Research Grouping  
N.ERGHY  
63 members

The Joint Undertaking is managed by a Governing Board composed of representatives of all three partners and lead by the Industry.

*A portfolio of  
clean, efficient and  
competitive  
solutions based on  
fuel cells and  
hydrogen  
technologies in  
energy and  
transport*

# N.ERGHY - Mission

- ❖ Align the European FCH R&D community
- ❖ Provide a stronghold for its members
- ❖ Promote, support and accelerate the deployment of FCH technology
- ❖ Strengthen the relationship between research and industry
- ❖ Represent its members in the FCH JU
- ❖ Increase the involvement of more Member States in FCH JU
- ❖ Jointly draft the FCH JU work plans with Hydrogen Europe
- ❖ Develop European R&D on FCH beyond the actual FCH JU

Support SMEs

Support  
policy  
decisions

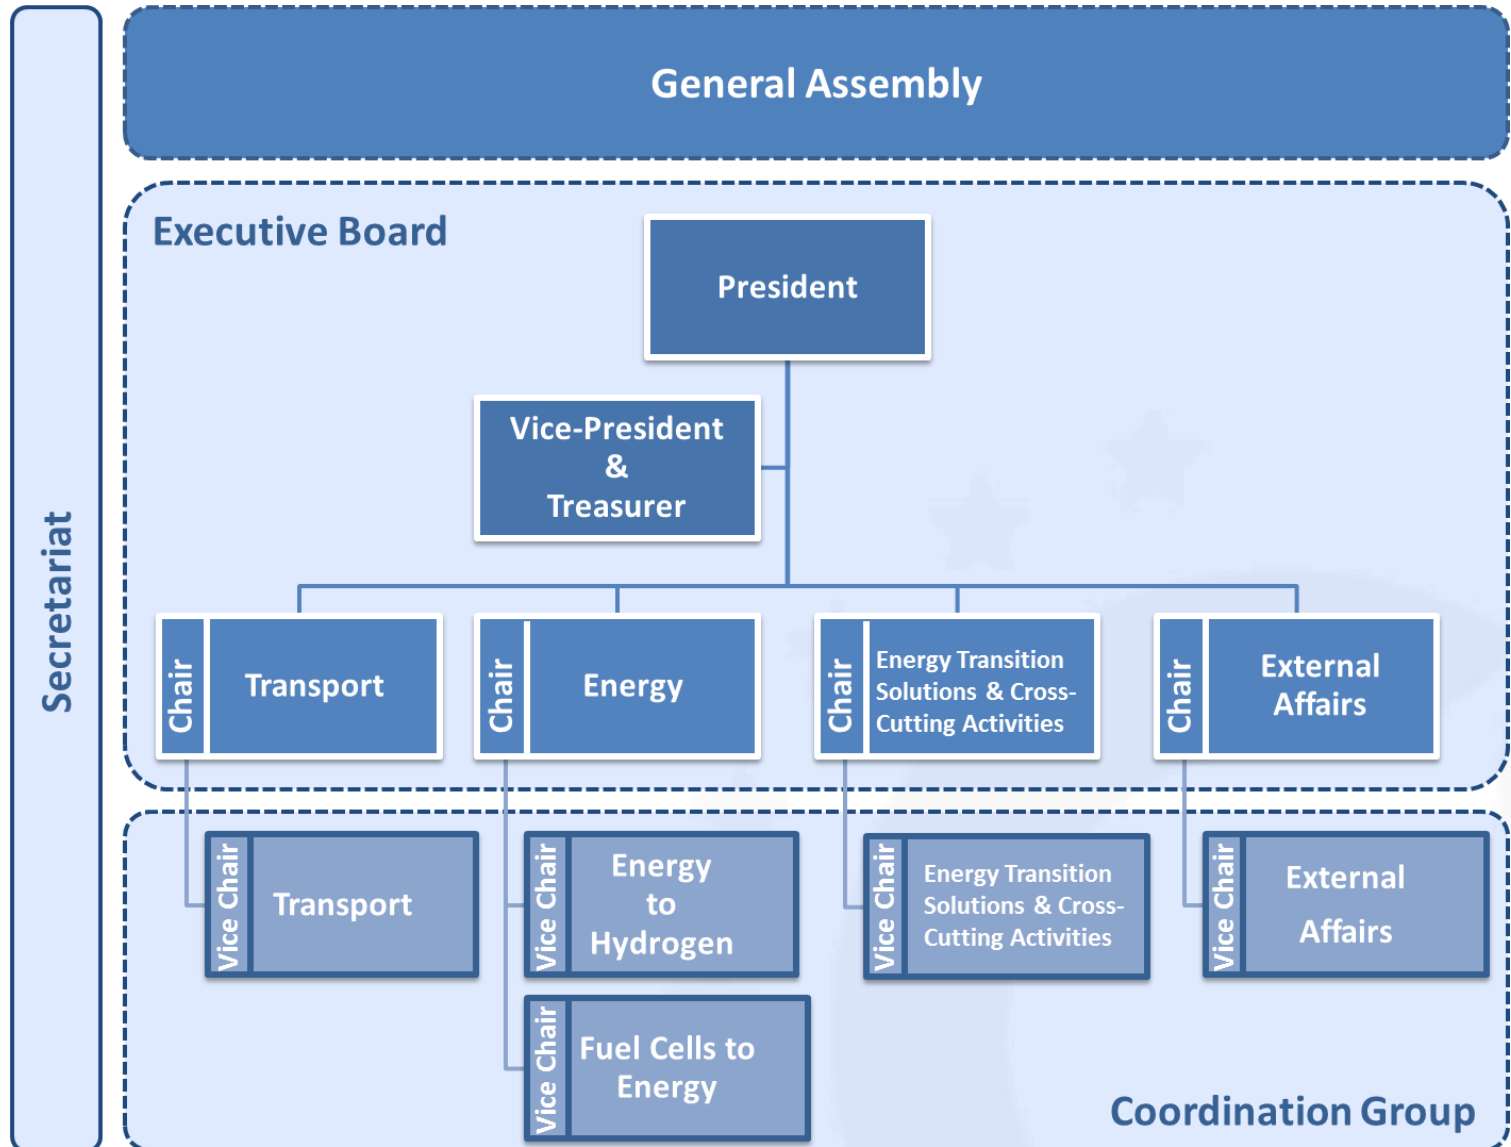

Developments  
from low to high  
TRLs

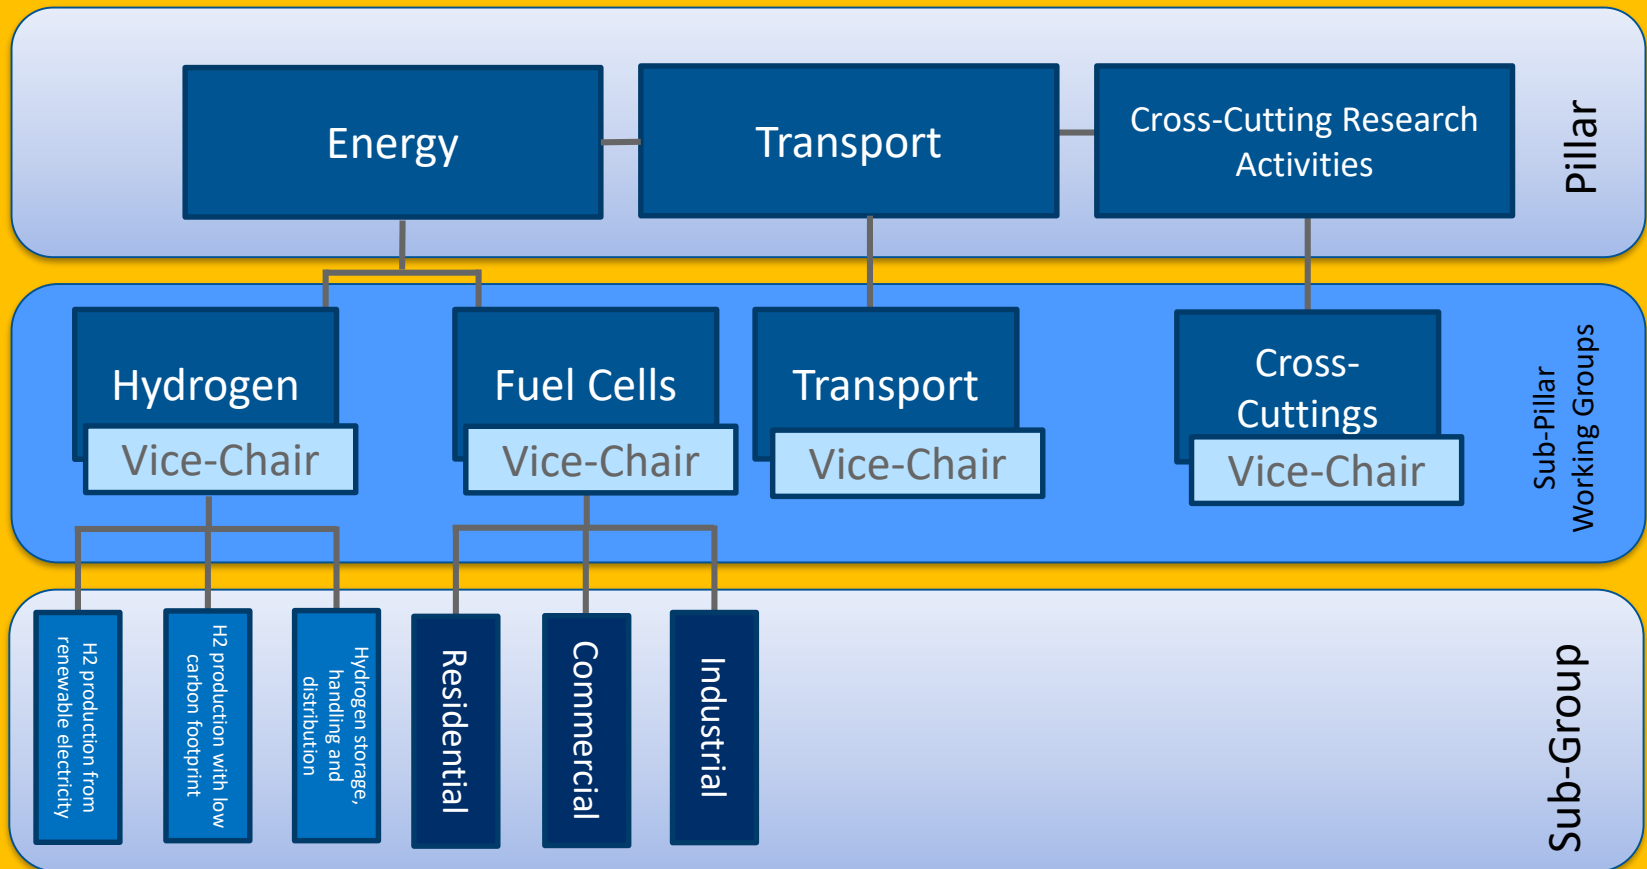

Support industry to  
succeed in transition to  
commercialization

# N.ERGHY Organization Structure

# N.ERGHY – Active Involvement of Members

## THE STRUCTURE OF N.ERGHY WORKING GROUPS

# WHY JOIN N.ERGHY?

## The benefits of our members are:

- participation in working groups with access to influencing FCH JU strategic priorities, e.g. on Multi-Annual Working Plan 2014-2020, Annual Working Plans.
- Early (to the extent possible) access to information about the planning of priorities of the FCH JU Programme, including more specific annual call topics details
- Organisational and coordination support for joint events, workshops and conferences in the FCH sector
- Use of the Association's information channels, especially the website and mailing lists for information dissemination to the wide community
- Access to information services provided by the association's secretariat
- Platform for networking with other research organisations as well as industrial partners with priority access to FCH JU events or those sponsored by it.
