

Denis THOMAS

Member of the FCH 2 JU Governing Board

EU Regulatory Affairs & Business Development Manager Renewable Hydrogen, Hydrogenics Europe NV.

Mr. Thomas is in charge of EU Regulatory Affairs & Business Development activities for renewable hydrogen at Hydrogenics, a world-wide leading provider of electrolyzers, hydrogen refueling stations and hydrogen fuel cells, since 2014.

Mr. Thomas represents Hydrogenics in several European and national associations such as Hydrogen Europe, the European Association for Storage of Energy (EASE), the European Power-to-Gas Platform and some national hydrogen and fuel cell associations (BE, FR, UK). Mr. Thomas was coordinating the project 'Power-to-Gas roadmap for Flanders' in Belgium in 2014-2015.

Before joining Hydrogenics, Mr. Thomas has worked 8 years in the solar photovoltaic sector in Belgium and at European level within the European Photovoltaic Industry Association.

Mr. Thomas holds a Master Degree in Business Administration from HEC Liège and a European Master Degree in Renewable Energy (Oldenburg, Germany and Zaragoza, Spain).

Mr. Thomas was born in 1981. He is based in Brussels, Belgium.
