

DRAFT AGENDA

08:30- 09:00	Registration & Welcome Coffee
09:00- 09:10	Welcome Address
	• R. SCHOENTGEN, Chair of Hydrogen Europe & FCH JU Governing board • B. BIEBUYCK, Executive Director, FCH JU
09:10- 10:30	Session I. Governance for Innovation A public-private partnership: the successful model
	• P.BUSQUIN, ex-Commissioner, EC, DG RTD • R.STROHMEIER Director-General, EC, OP • D. RISTORI, Director General, EC, DG ENER (video message) • F. DARCHIS, Senior Vice President & Member of the Exec. Committee, Air Liquide • A. SCHNETTLER, Senior VP Research in Energy and Electronics, Siemens
10:30- 11:00	Coffee break & networking
11:00- 12:30	Session II. Hydrogen economy Fuel cells and hydrogen: from manufacturers to end-users
	• P.E.FRANC, Secretary General, Hydrogen Council • R. MAC EWEN, CEO, Ballard • D. WILSON, CEO, Hydrogenics • J.A. LØKKE, CEO, NEL Hydrogen • A. RAVAGNI, CEO, SOLIDpower • T. BUERGLER, Head of R&D, Voestalpine • D. YORKE, New Technology, Training & Projects Manager, Tower Transit
12:30- 13:30	Lunch break & networking
13:30- 14:30	Session III. Hydrogen society, global perspective From a separate niche to a cross-sectorial approach in different regions of the world
	• B.FROIS, Chair, IPHE • E. DE WIT, Ministry of Infrastructure and the Environment, The Netherlands • D. PAPAGEORGIOPOULOS, Department of Energy, USA • H. KONDO, New Energy and Industrial Technology Development Organisation, Japan • K. BONHOFF, NOW, Germany • J. SALTMARSH, Department of Business, Energy and Industrial Strategy, UK • M. PAN, Wuhan University of Technology, China
14:30- 15:00	Coffee break & networking

15:00- 16:15	Session IV. Collaborative innovation Collaboration between research and industry to address societal challenges
	• L. ANTONI, Chair of Hydrogen Europe Research, CEA • J. KIVIAHO, Research Manager, VTT Technical Research Center Finland • C. SATTLER, Institute of Solar Research, DLR • D. JONES, Senior research chemist, CNRS • S. MOLLER- HOLST, VP Marketing Hydrogen & Fuel Cell Technologies, SINTEF
16:15- 17:00	Session V. Future outlook
	• R. SCHOENTGEN, Chair of Hydrogen Europe & FCH JU Governing board • M. BAKRAN, Deputy Director- General, EC, DG MOVE • J. METTHEY, Deputy Director- General Research Programmes, EC, DG RTD • T. CONSTANTINESCU, Principal advisor, EC, DG ENER
17:00- 17:10	Closing words and celebration
	• R. SCHOENTGEN, Chair of Hydrogen Europe & FCH JU Governing board • B. BIEBUYCK, Executive Director, FCH JU
17:10	Cocktail reception
