

Ir. René SCHUTTE MBA

Member of the Clean Hydrogen Partnership Governing Board

Director HyNorth at N.V. Nederlandse Gasunie

Chair at Clean Hydrogen Joint Undertaking

Board member at Hydrogen Europe

René Schutte joined Gasunie in 2006. He has worked in several commercial roles in energy procurement, shipping and grid connections and implementation of new law and regulation requirements for Gasunie Transport Services. Since July 2018 René was Program Manager Hydrogen. In this role he was responsible to develop and implement the Gasunie hydrogen program. René now is director of HyNorth, the transition and coordination office for the Northern Netherlands Hydrogen Investment Plan.
