

Hydrogen Europe

FCH 2 JU Info Day
Brussels, 29.01.2019

Nicolas Brahy, *Director, Hydrogen Europe*

Thierry Priem, *Vice-Chair for Transport, Hydrogen Europe Research*

-
- **Hydrogen Europe (HE) – Hydrogen Europe Research (HER) and Fuel Cell & Hydrogen 2 Joint Undertaking (FCH2-JU)**
 - **Shaping calls**
 - **Hydrogen Europe Research (HER)**
 - **Hydrogen Europe (HE)**
 - **Contacts**

FCH2-JU and the role of HE + HER

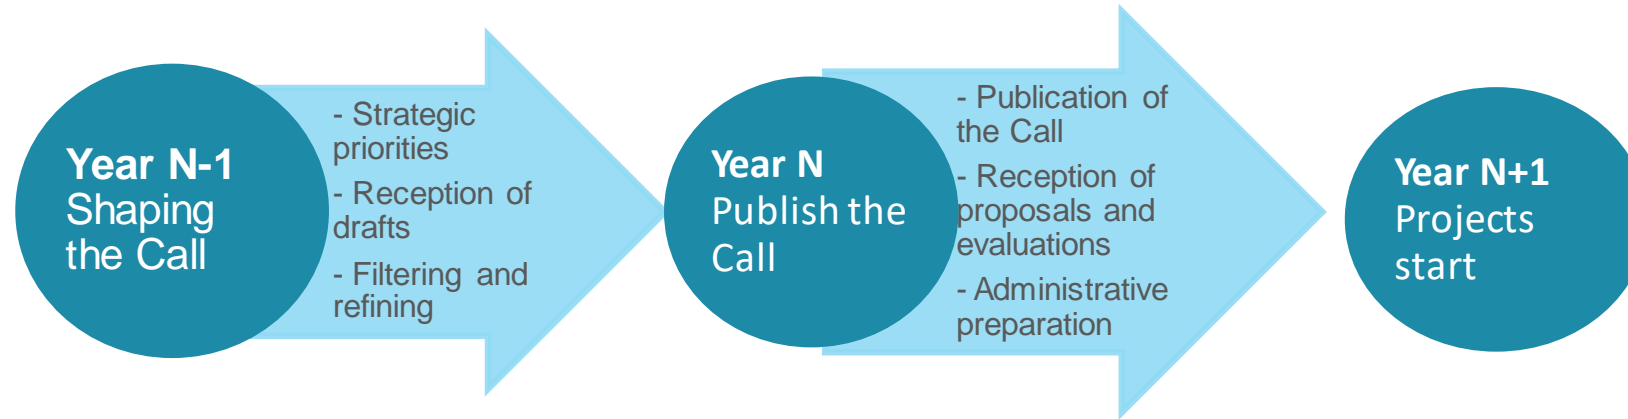

&

FUEL CELLS AND HYDROGEN
JOINT UNDERTAKING

A portfolio of clean, efficient and competitive solutions based on fuel cells and hydrogen technologies in energy and transport.

Shaping of the FCH-JU Call

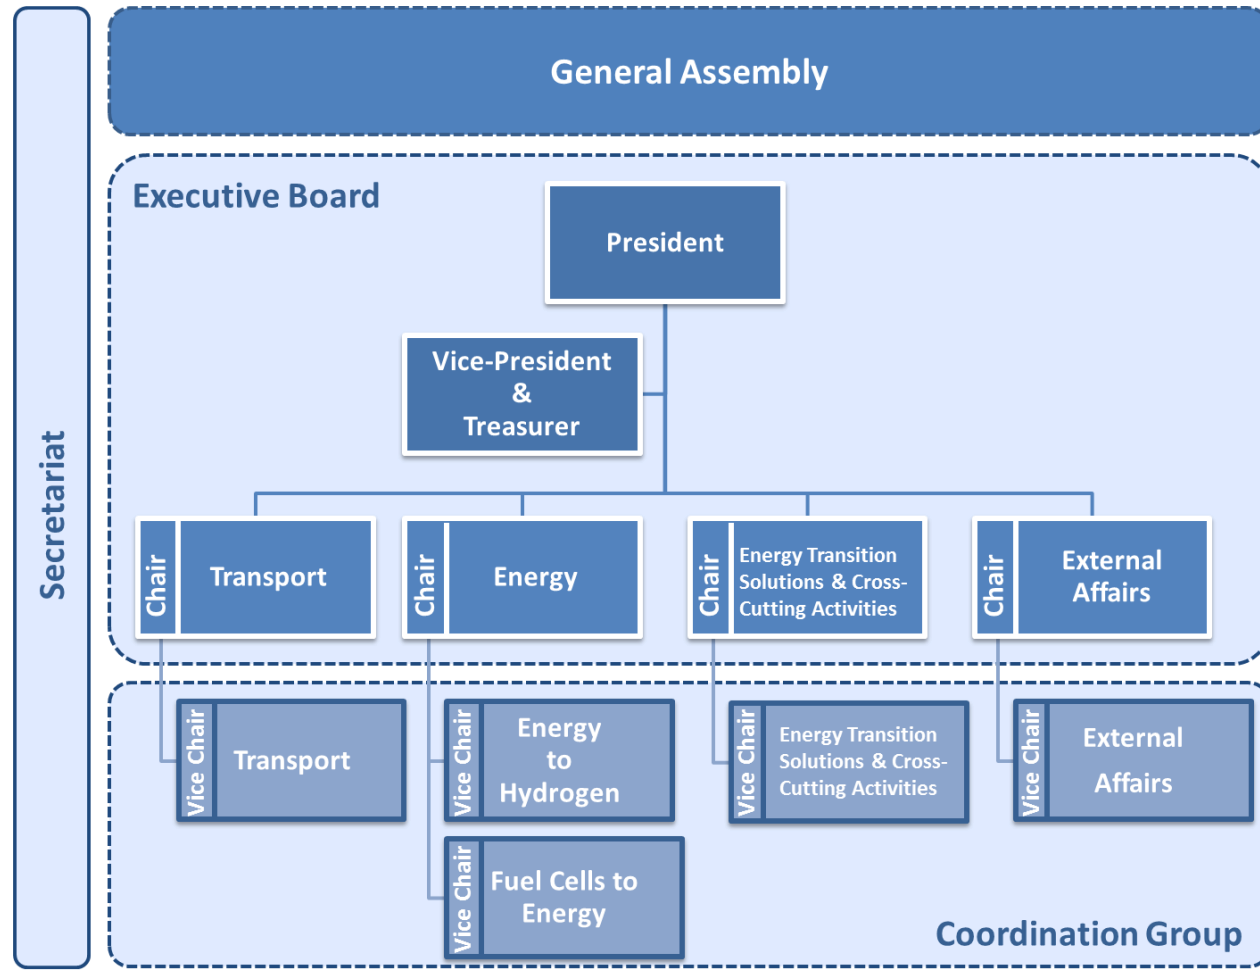

Hydrogen Europe Research (HER)

Main goal

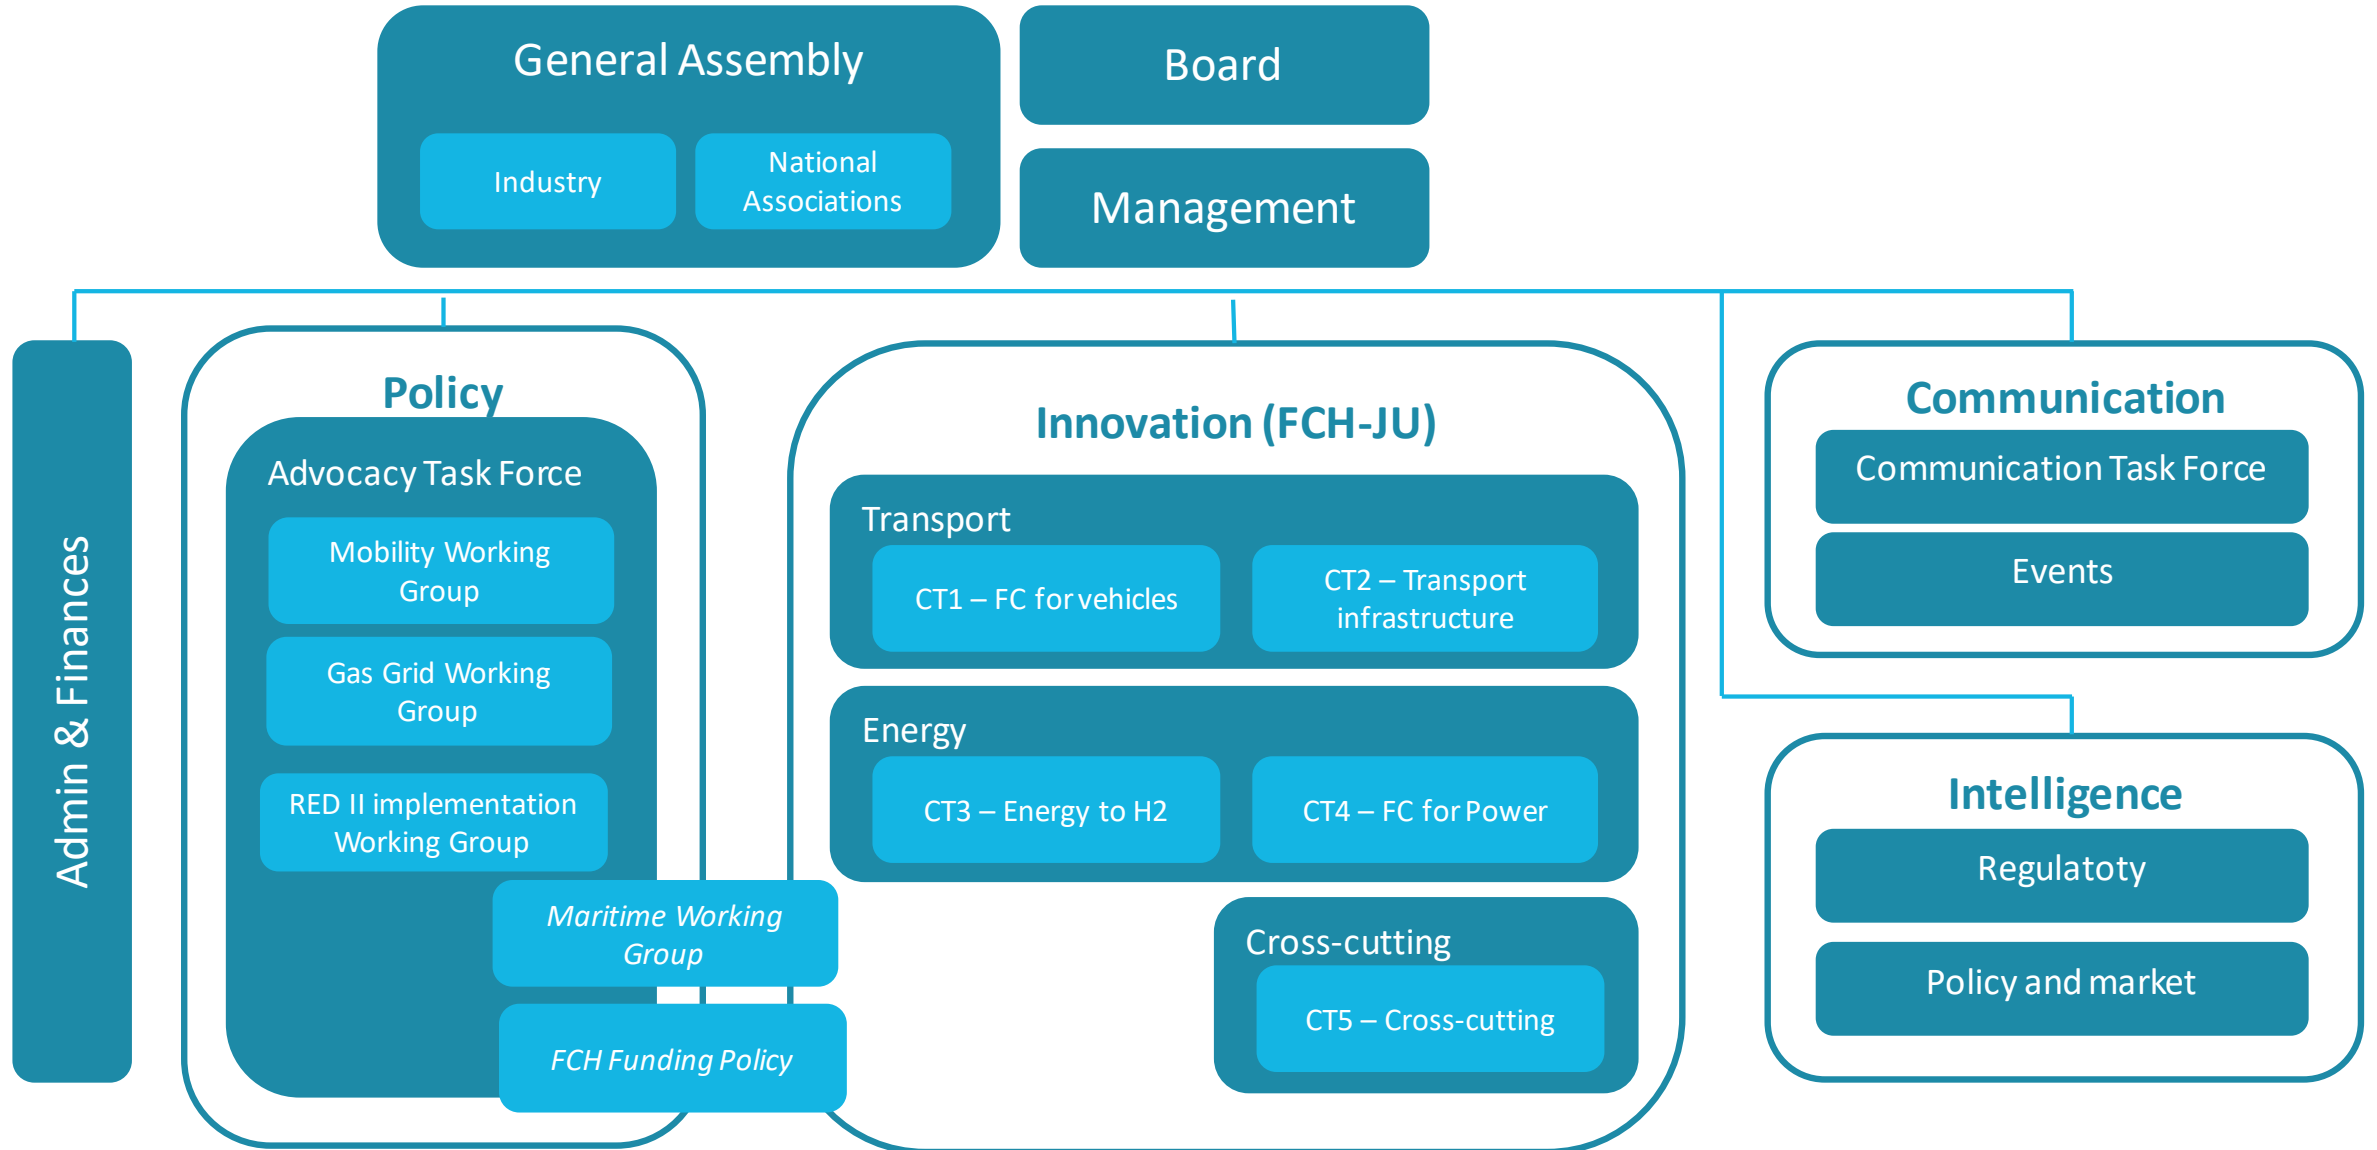

To promote Research and Innovation Actions including low TRL initiatives

The benefits of membership:

- Participation in working groups **influencing FCH JU strategic priorities**, e.g. on Annual Working Plans and Multi-Annual Working Plan 2014-2020.
- Early access (to the extent possible) to information on planning and priorities of the FCH JU Programme, as well as specific annual call topics details.
- Organisational and coordination support for **joint events, workshops and conferences** in the FCH sector.
- Use of our **information channels**.
- A **platform for Networking with other research organisations** and industrial partners with priority access to FCH JU events.

Hydrogen Europe - Structure

Hydrogen Europe Team

Jorgo Chatzimarkakis
Secretary General

Nicolas Brahy
Director

Nicolas Kraus
EU Policy & Regulatory Affairs

Michela Bortolotti
Communications

Sophie Derksen
Communications & Events

Sabrine Skiker
Transport Policy & Communications

Michael Diderich
Technology

Alexandru Floristean
Legal & Project

Nevena Sarić
Administration & Finances

Benefits

1. Innovation: exclusive right to shape the FCH-JU calls
2. Policy: help shaping EU legislation i.e. positive business cases and LT revenues
3. Knowledge: regular updates from the secretariat (policy, innovation, events), website (intranet, directory & projects)
4. Profile & network: we are the greatest hydrogen network covering the whole supply chain

Duties

- Membership fees
- In Kind Additional Activities
- Project Fee (if awarded projects by FCH JU)
