

Hydrogen Europe

FCH 2 JU Info Day
Brussels, 27.01.2020

Michael Diderich, Hydrogen Europe
Katrin Johansson-Ricketts, Hydrogen Europe Research

Content

Hydrogen Europe (HE) – Hydrogen Europe Research (HER) and the Fuel Cell & Hydrogen 2 Joint Undertaking (FCH2-JU)

Shaping calls

Hydrogen Europe Research (HER)

Hydrogen Europe (HE)

Contacts

FCH2-JU and the role of HE + HER

~ 230 industry & research organisations

**FUEL CELLS AND HYDROGEN
JOINT UNDERTAKING**

A portfolio of clean, efficient and competitive solutions based on fuel cells and hydrogen technologies in energy and transport.

FCH-JU Call: From shaping to projects

➔ By being a member of HE or HER, you become active in the definition of a Call.

Hydrogen Europe Research (HER)

Main goal

To promote Research and Innovation Actions including low TRL initiatives

Hydrogen Europe Research - Structure

Join Hydrogen Europe Research

The benefits of membership

Participation in working groups **influencing FCH JU strategic priorities**, e.g. on Annual Working Plans and Multi-Annual Working Plan 2014-2020.

Early access (to the extent possible) to information on planning and priorities of the FCH JU Programme, as well as specific annual call topics details.

Organisational and coordination support for **joint events, workshops and conferences** in the FCH sector.

Use of our **information channels**.

A **platform for Networking with other research organisations** and industrial partners with priority access to FCH JU events.

Hydrogen Europe - Membership

FCH techno providers and/or pure players

H2 Production & distribution

FC Transport

FC Stationary

Others

Hydrogen Europe - Membership

Energy companies

National Associations

Industrial companies

Transport companies
