INVITATION

FCHgo Award

'World of the future: the best FCH application' INTERNATIONAL CELEBRATION EVENT

TUESDAY 15 JUNE 2021

15:00 on Zoom

<https://zoom.us/j/92837419270>

Dear Sir/Madam,

We are pleased to inform you that the project application phase for the FCHgo Award competition and national award ceremonies have been closed and that the international selection of project applications is currently underway.

There are 8 finalists at international level that are being assessed by an international jury that will nominate the 3 international winners.

For this, we are glad to invite you to the International Celebration Event of the FCHgo Award on Tuesday 15 June from 15.00 to 17.00.

The ceremony will take place online and will be the occasion to award the best projects at international level for each age category that participated in the competition (8-11; 12-14; 15-18).

Each winner will receive prizes that will enhance their knowledge of renewable energies, with particular reference to hydrogen fuel cells, through a specific kit for use and experimentation.

We hope that you will join us in celebrating this special moment.

Kindest regards
