

FINANCIAL RULES OF THE FUEL CELLS AND HYDROGEN 2 JOINT UNDERTAKING

ADOPTED BY
FCH JU GOVERNING BOARD
30-06-2014

THE GOVERNING BOARD OF THE FUEL CELLS AND HYDROGEN 2 JOINT UNDERTAKING,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 559/2014 on the Fuel Cells and Hydrogen 2 Joint Undertaking (hereinafter "FCH 2 JU") and in particular Article 5 thereof;

Having regard to the Statutes annexed to the Council Regulation (EU) No 559/2014 on the FCH 2 JU (hereinafter "the Statutes"), and in particular Article 7(3)(b) thereof;

Having regard to Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002¹, and in particular Article 209 thereof,

Whereas:

(1) Regulation (EU, Euratom) No 966/2012, based on the experience of having public-private partnerships institutionalized as Union bodies under Article 185 of Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002², introduced additional categories of public-private partnerships in order to increase the choice of instruments and included bodies whose rules are more flexible and accessible for private partners than those applicable to the Union institutions. Among those additional categories are the bodies referred to in Article 209 of Regulation (EU, Euratom) No 966/2012 which are entrusted with the implementation of a public-private partnership (hereinafter 'PPP bodies').

(2) Article 209 of Regulation (EU, Euratom) No 966/2012 provides for the adoption of a delegated act pursuant to Article 290 of the Treaty on the Functioning of the European Union (hereinafter 'TFEU') on a Model Financial Regulation for those bodies which shall lay down the principles necessary to ensure sound financial management of Union funds and which shall be based on Article 60 of Regulation (EU, Euratom) No 966/2012 .

(3) In order to ensure sound financial management of Union funds and to enable PPP bodies to adopt their own financial rules, the Commission adopted Delegated Regulation (EU) No 110/2014 of 30 September 2013 on the model financial regulation for public-private partnership bodies referred to in Article 209 of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council (hereinafter 'the Model Financial Regulation for PPPs')³.

¹ OJ L 298, 26.10.2012, p. 1.

² Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities (OJ L 248, 16.9.2002, p.1).

³ OJ L 38, 7.2.2014, p. 2-15.

(4) In view of the specific nature of the FCH 2 JU, Council Regulation (EU) No 559/2014 established that the FCH 2 JU should continue to be subject to a separate discharge. By way of derogation from Articles 60(7) and 209 of Regulation (EU, Euratom) No 966/2012, discharge for the implementation of the budget of the FCH 2 JU should therefore be given by the European Parliament on the recommendation of the Council. Hence, the reporting requirements set out in Article 60(5) of Regulation (EU, Euratom) No 966/2012 should not apply to the contribution of the Union to the FCH 2 JU but they should be aligned to the extent possible to the ones foreseen for bodies under Article 208 of Regulation (EU, Euratom) No 966/2012. The external audit of the accounts and of the legality and regularity of the underlying transactions should be undertaken by the Court of Auditors.

(5) Article 1 of the Model Financial Regulation for PPPs and Article 5 of the Council Regulation (EU) No 559/2014 [FCH 2 JU Council Regulation] provides that FCH 2 JU shall adopt its specific financial rules.

(6) FCH 2 JU should establish and implement its budget in accordance with the budgetary principles of unity, budgetary accuracy, annuality, equilibrium, unit of account, universality, specification, sound financial management, which requires effective and efficient internal control, and transparency.

(7) In order to ensure the overall implementation of tasks and activities, FCH 2 JU should be able to enter the unused appropriations for a given year in the estimate of revenue and expenditure of up to the following three financial years.

(8) It is necessary to define the powers and responsibilities of the accounting officer and of the authorising officers taking into account the public-private nature of the FCH 2 JU. The authorising officers should be fully responsible for all revenue and expenditure operations executed under their authority and should be held accountable for their actions, including, where necessary, through disciplinary proceedings.

(9) It is necessary to clarify the internal audit and internal control functions and to streamline the reporting requirements. The internal audit function within the FCH 2 JU should be performed by the Commission's internal auditor who should carry out audits when justified by the risks involved. Provisions on the establishment and functioning of the internal audit capability should be introduced.

(10) In order to guarantee that FCH 2 JU is accountable for the implementation of its budget and adheres to the objectives assigned to it at its establishment, FCH 2 JU should be allowed, for the performance of the tasks entrusted to them, to employ external private sector bodies only where necessary and not for tasks involving any public service mission or any use of discretionary powers of judgment.

(11) The principles to be followed as to the revenue and expenditure operations of the FCH 2 JU should be laid down.

(12) Given the public-private nature of the FCH 2 JU and in particular the private sector contribution to the budget of the FCH 2 JU, flexible procedures for the award of procurement contracts should be allowed. The relevant procedures should respect the principles of transparency, proportionality, equality of treatment and non-discrimination and partly depart

from the relevant provisions laid down in Commission Delegated Regulation (EU) No 1268/2012⁴. It is necessary to ensure better and cheaper supply of goods and services, as well as the avoidance of excessive costs in managing procurement procedures through reinforced cooperation among the Members of FCH 2 JU. FCH 2 JU should therefore also have the possibility to conclude contracts without having recourse to a procurement procedure with their Members other than the Union for the supply of products, provision of services or performance of work that those Members provide directly, without having recourse to third parties.

(13) In order to improve cost-efficiency, the possibility of sharing services or transferring them to another body or the Commission should be provided, in particular by allowing that the accounting officer of the Commission is entrusted with all or part of the tasks of the accounting officer of the FCH 2 JU.

(14) For the evaluation of grant applications, projects and tenders and for providing opinions and advice in specific cases, FCH 2 JU should be able to use external experts. These experts should be selected in accordance with the principles of non-discrimination, equal treatment and absence of conflict of interests.

(15) In the award of grants and prizes, the relevant provisions of Regulation (EU, Euratom) No 966/2012 and Delegated Regulation (EU) No 1268/2012 should apply, subject to any specific provision of the constituent instrument of the FCH 2 JU or of the basic act of the programme the implementation of which is entrusted to the FCH 2 JU in order to ensure a coherent implementation with the actions directly managed by the Commission.

(16) This Decision should enter into force on the day following its adoption by the Governing Board of FCH 2 JU.

The extent in terms of frequency and intensity of the *ex ante* controls shall be determined by the authorising officer responsible taking into account risk-based and cost-effectiveness considerations. In case of doubt, the authorising officer responsible for validating the relevant payment shall request complementary information or perform an on-the-spot control in order to obtain reasonable assurance as part of the *ex ante* control.

The authorising officer shall guarantee the reliability of that information.

In the event of illegal activity, fraud or corruption which may harm the interests of the FCH 2 JU or of its members, the matter shall be submitted to the authorities and bodies designated by the applicable legislation, in particular to OLAF.

The specialised financial irregularities panel set up by the Commission or in which the Commission participates in accordance with Article 73(6) of Regulation (EU, Euratom) No 966/2012, shall exercise the same powers in respect of the FCH 2 JU as it does in respect of Commission departments, unless the Governing Board decides to set up a functionally independent panel, or to participate in a joint panel established by several bodies. For cases

submitted by FCH 2 JU, the specialised financial irregularities panel set up by the Commission or in which the Commission participates shall include one staff member of the FCH 2 JU.

On the basis of the opinion of the panel referred to in the first subparagraph, the Executive Director shall decide whether to initiate proceedings for disciplinary action or for the payment of compensation. If the panel detects systemic problems, it shall send a report with recommendations to the authorising officer. If the opinion implicates the Executive Director, the panel shall send it to the Governing board and to the Commission's internal auditor. The Executive Director shall refer, in anonymous form, to opinions of the panel in his or her report under Article 20 and indicate the follow-up measures taken.

4. Any member of the staff may be required to compensate, in whole or in part, any damage suffered by the FCH 2 JU as a result of a serious misconduct on his or her part in the course of or in connection with the performance of his or her duties. The appointing authority shall take a reasoned decision after completing the formalities laid down by the applicable legislation with regard to disciplinary matters.
